

Important Message for Palyul Sangha Members from the Three Heart Sons of His Holiness Penor Rinpoche

Date: 21st May 2009

To: Resident Rinpoches, lamas and students of Palyul Dharma Centers around the globe as well as well-wishers of His Holiness Penor Rinpoche,

We are very glad to know that all of you have been performing parinirvana prayers for our beloved and compassionate guru, the late His Holiness Penor Rinpoche

We, the sangha members of Namdroling Monastery have also been gathering for the last forty-nine days since Rinpoche displayed his passing away into parinirvana. We hear that, like in Namdroling, you also will be performing grand puja on the forty-ninth day (22nd May 2009) in order to accumulate tremendous virtue and purify all the negativities. This is highly appreciated.

We are very unfortunate that our beloved and compassionate root guru and guide; His Holiness Penor Rinpoche is not here with us today as he passed away to parinirvana for the benefit of sentient beings. However, His Holiness' enlightened mind and spirit, his blessings and inspiration, his priceless words and instructions are still very much intact and fresh in our hearts. If we feel that we are the worthy and devoted spiritual offspring of His Holiness and we need to keep his enlightened activities alive within us, we have to carry out his noble wishes so that we will always be blessed with his ever present wisdom and compassion. Moreover, if we follow his enlightened words through practice, we will be definitely blessed with his reincarnation very soon.

Those who are not able to attend the final parinirvana prayer ceremony on the 28th day of the second month (22 May, 2009) held in Namdroling, we would like assure you that since His Holiness' compassion and enlightened wisdom is all pervading, your prayers will be answered provided they are sincere and with full devotion. Hence, you should not feel sad for not being able to make it to the parinirvana puja held here. In the near future, we will come soon to the dharma centers to strengthen and increase the spiritual activities started by His Holiness Penor Rinpoche.

Last but not least, we thank all the Palyul students and well-wishers for standing united in performing prayers since the passing away of His Holiness.

With prayers and best wishes,

HH Karma Kuchen Rinpoche, HE Gyangkhang Tulku Rinpoche and HE Mugsang Kuchen Rinpoche
